

A checklist for event sanctioning following COVID-19 restrictions.

To have your event sanctioned please complete the following checklist and send to your state board representative or secretary@australiandiscgolf.com. The board will consider your application in the context of your state government directives. We will notify you within 1 week of receiving your application whether we are able to sanction your event. Please consult your state board representative with any questions that you may have.

TD name:

Event type: League A-tier B-tier C-tier X-tier

Event date:

Expected event size:

Event location (including state):

- I have checked state government directives for the state where the event will be held and will stay up to date with any changes to these.**
They allow gatherings outside of size:
They allow non-contact sports competition:
- I have obtained all necessary approvals from the municipal body governing the park to run the event (please supply evidence)**
- I have reviewed and will follow the COVID-safe return to play guidelines**
- I will communicate with players about how the event will run and all guidelines that must be followed**
- I will screen participants to ascertain that they have not been told to self-isolate, are not feeling ill and are ADG members**
- I will keep a record of all participants including players, officials and spectators at the event**
