5. **Annual report:** year dominated by Covid. Have seen large growth due to pandemic friendly nature of sport. Plans to build on this. New courses in Townsville and Ballarat on the way. Highlight of year was Aussie disc golf day.

6. **2021 ADG Tour:** Still a lot of uncertainty and hesitancy to lock in events. Rather than opening bidding we have given TDs right to hold in same month as past year. Events will be locked in as decisions made.

## 7. General discussion:

- How count active members – usual by counting tournament players. Also league numbers when provide dto us for invoicing. This year was harder and relied on Aussie disc golf day numbers. Hard to count casual players.
- State tours are a possibility but will be run by states. We can help with points.
- Aussie disc golf day feedback survey – overwhelmingly positive response. Interest in running again next year.
